FOR IMMEDIATE RELEASE:

Green Hills Residents' Endless Support

December 22, 2021 (AMES, IOWA) – When you meet a resident of Green Hills, you know they leave a lasting impression on your heart! This Holiday Season, the residents at Green Hills went above and beyond for their dedicated employees. Green Hills is an employer for over 150 individuals.

Residents on the Employee Appreciation committee created employee appreciation signs for all the departments at the 55+ Life Plan Community in Ames thanking them for their services this past year! The signs celebrate the team with a Burma Shave Phrase describing each department. The committee has been moving the signs around the beautiful campus, so all the residents and employees can see them. Kat Kilbane, Green Hills executive director, said, “Our residents feel like family, and we are honored to serve them 365 days a year!”

Neighbors at Green Hills also make charitable contributions to scholarship opportunities that benefit the employees of Green Hills. Having this type of benefit is rare and extraordinary for our Green Hills Family. The scholarship opportunities include – the Green Hills Residents Association Scholarship, Green Hills Health Care Center Bachelors in Nursing Scholarship, the Virginia Richards Scholarship, and the Eleanor L. Knicker Scholarship Fund for Nursing.
