2022-23 Best Senior Living Community**

AMES, IA – May 20, 2022 – Green Hills has been recognized by U.S. News & World Report as a 2022-23 Best Senior Living Community.

Green Hills is one of the senior living communities recognized by U.S. News that earned “Best” status by achieving the highest possible rating for Independent Living. U.S. News awards the designation of Best Senior Living only to those communities that satisfy U.S. News’s objective statistical assessment of each senior living community’s performance from consumer satisfaction surveys administered between March 2021 and February 2022, reflecting the viewpoints of more than 200,000 current residents and family members of residents living in thousands of senior living communities nationwide.

Green Hills Executive Director, Kat Kilbane, states “At Green Hills, our goal is to help everyone whose lives we touch – our residents, their families, and guests of our community – to be able to live the life the way they choose. We pride ourselves on high standards and quality of care for our residents at all levels in our community. This recognition from U.S News & World Report is evidence of our success.”
