BUS— TOUR AMES HIGH SCHOOL

Tuesday, February 28th

Apartments: 3:30 pm Townhomes: 3:35 pm

This is your chance to see the inside of the new Ames High School. The school is state-of-the-art in many ways and may not be what students and educators are quite used to. Classrooms are grouped in what are being called pods. The gymnasium, the auditorium, the music spaces, the classroom layout and design are different than what the previous school had.

Safety was also a key design feature. A secured vestibule helps limit access to the building, and individual classroom pods can be secured to limit access within different parts of the building. Our tour will be mostly walking and about 1 hour in length.

Residents have used it to give away tickets they are unable to use, offer things they are finished with, point out Mallards on the pond etc. If you would like to be included in the group email (or use it), contact Suzy Shierholz at SShierholz@gmail.com and she will add you to the group.
