CEDAR COURT

TOVERTAFEL

A big thank you to Donna and Jim Cooper for purchasing this interactive, hands-on projection game. Through the power of play, the Tovertafel's interactive light projections promote physical activity, improve the relationship between care providers and residents, and increase the happiness of care providers, family members and friends.

This device works by projecting images onto flat surfaces in the form of interactive games. The light projections respond to natural movements and gestures, no matter how small. There are various level settings and games to impact residents' sensory, social, physical, and cognitive functions.

The following times have been scheduled by the Life Enrichment Department on the January Activity Calendar:

January 4th at 6:15 PM
January 21st at 3:45 PM
January 27th at 6:15 PM

Nursing staff are able to assist residents in using this device at anytime.
